Life

By: Paige Collins

Authors Note: I WANT AN ONLINE FRIEND!

If we were all the same,

With the same life,

And the same name,

We would be bored, wouldn't we?

Never to roam or be free,

But thank the good lord that there are people like us,

To break the dullness of life,

But what if life were to end,

Like that,

I want it to end now,

But I don't really,

Because I want life to go onâ€¦

If life were a dream I'd want to keep dreaming,

If life were a scheme, I'd want to keep scheming,

If life were bird I'd want to keep flying,

If life were a war, I'd want to keep fighting,

But it is and it's here,

So get used to your life,

Cause you're stuck with it,

Some times at night,

When the moon is full,

I think of how this war has changed my life,

It used to be normal and dull,

I lay there and think,

I lay there and cry,

Asking questions over and over again, why?

Why do we do this?

Why were we the ones?

Can win this battle and make it be doneâ€¦

If life were a scheme I'd want to keep scheming,

If life were a dream I'd want to keep dreaming,

If life were a bird I'd want to keep flying,

If life were a war I'd want to keep fighting,

But it is and it's here,

So get used to your life,

Cause you're stuck with it.

Loved it? Hated it? Say it all in the review down below.
